I.

WORK COVERED

A. This Agreement shall apply to and cover all Guniting and/or Shotcrete work of the Contractors to be performed or being performed in the territory known as the Twelve Southern California Counties, namely, Los Angeles, Orange, Riverside, San Bernardino, Imperial, Ventura, Santa Barbara, San Luis Obispo, Kern, Inyo, Mono and San Diego Counties, and the following offshore islands: Richardson Rock, Santa Cruz Island, Arch Rock, San Nicholas Island, Santa Catalina Island, San Clemente Island, San Miguel Island, Santa Rosa Island, Anacapa Island, Santa Barbara Island, and offshore manmade islands.

B. 1. All Guniting and/or Shotcrete work performed by the Contractors, and all services rendered for the Contractors or subcontractors, herein defined, by any workman covered by the terms of this Agreement shall be rendered in accordance with each

and all of the terms and provisions hereof. Wet mix shotcrete is defined as premixed mortar, concrete or other materials introduced into a pumping device in which all the ingredients including water are mixed before introduction into the delivery hose, compressed air is introduced to the material flow at the nozzle and pneumatically projected on to a surface. Guniting and Shotcrete work performed by the Contractor which is covered by the terms of the Union's Swimming Pool Agreement shall be performed pursuant to the terms of the Swimming Pool Agreement.

2. This Agreement covers all work performed by the Contractors which, on and before June 30, 2009, was or is in the work covered by the collective bargaining agreements of the Carpenters and the Cement Masons unions for Southern California.
